Selectmen Halt Gravel Operations For Summer

By Sue Aucella Deacon

The neighbors surrounding the Andover Country Club development have had enough, they told the selectmen Monday night, and the board agreed to put a halt to further earth removal at the site — at least for the summer.

The selectmen voted unanimously to de-

lay renewing developer Yvon Cormier's one-year gravel removal permit until mid-September, to avoid the blowing sand, noise and vibrations abutters say they have suffered with since construction began nearly three years ago.

"I'd like to promise these people a good summer," Selectman Gerald Silverman said. "They've had two tough summers and a lot of problems in that area."

Instead of starting further excavation this summer, the selectmen urged the developer to finish the area he has already leveled, off Canterbury Street, and begin building houses. Two model homes are currently under construction in that area.

Selectman Donn Byrne said he sees the development as "an ongoing gravel pit, and no subdivision. I would like to see a subdivision, or some of it get started there."

The 360-acre development is bounded by Canterbury, Beacon and Lowell streets and Chandler Circle. Cormier plans to build more than 270 homes there, working in seven sections.

His gravel removal permit, which expired June 30, allows him to remove a total of 1,760,000 cubic yards of gravel from five sections to complete the development.

According to engineer Arthur Fosse of Dana F. Perkins Associates, some areas of section one have been graded and seeded, while other areas still need to be brought to grade. It could take up to two months to finish enough grading and seeding to start building houses on the road that will be called Stafford Lane, off Canterbury Street, he indicated.

Slow housing sales may delay building on the site, Fosse said: "The economy is the biggest item."

Cormier requested the gravel permit renewal so he could begin earth removal in a new area, to install sewer lines. That would require leveling another hill, Fosse told the board.

Just as they did two years ago when the permit was originally granted, abutters crowded into the Town Hall conference room to object to problems at the construction site. Atty. Reginald Marden of Andover, representing 32 of the nearly 50 neighbors present, said the abutters "object to any further work being done in this area."

Marden claimed that the developer has not complied with the terms of the permit issued in June, 1980. The selectmen placed more than 30 restrictions on the subdivision work at that time to protect the abutters.

"My clients have been hurt by what's happening out there," the attorney said. He said the developer has violated the permit by opening areas larger than the permit allowed, grading slopes in excess of what the permit allowed, and causing property

Nancy Pentland

Named Director Of AHA

Nancy Pentland, former assistant director of the Andover Housing Authority, has been named the new AHA director. She is now filling the position held by Thomas Walsh, who died recently.

The five-member authority unanimously voted to appoint Mrs. Pentland director on June 17, after interviewing five candidates on June 16, according to authority member Mary Jane Powell.

The new director, who had been serving as acting director since Walsh's death, joined the housing authority in January, 1980. "I like very much working with the elderly and with the family," she said this week. "It is very gratifying work, and very interesting."

She is currently overseeing the completion of Stowe Court, a new 40-unit complex overlooking the East Junior High School

New Recycling Program Works Well For Most

Recycling of both paper and glass on the same day every other week began last July. In its first year of operation this system has worked well for most people, but there are still occasional problems. Regular efforts have been made to inform the public through newspaper articles as well as through the recycling instructions that were mailed with calendars in property owners' spring tax bills. However, newspaper information has not reached everyone, and some townspeople are still not aware that they can telephone recycling volunteers when they have questions or complaints.

Recycling is simple and can become an easy routine. Papers and magazines can be accumulated and then put out on recycling days in double paper grocery bags or ties with string. Plastic bags should be used for paper or glass. Al-

though double paper grocery bags are acceptable for separated green and clear glass, reusable containers such as wastebaskets or plastic laundry baskets are easier for the truck driver to spot, and in wet weather do not fall apart. They should be marked with indelible marker or labeled with the Andover Recycles sticker available in Town Hall.

Paper will not be picked up if it left out loose, even if it is neatly stacked. It is not acceptable in corrugated cardboard boxes because

newspapers and magazines are processed separately from corrugated and should not be mixed. Corrugated cardboard may be flattened, folded or cut into manageable size and securely tied for pickup.

Regular recycling ensures better service. The recycling driver knows that he can expect to make a stop at certain houses where something is always put out for him in the same place. Recycling works best where everyone in the neighborhood recycles on every recycling day.

Brown glass is not accepted because there is no longer a market for it. Recyclables should be placed far enough from rubbish not to be con-

fused with it. Putting rubbish on one side of the driveway and recycling bles on the other will help both the rubbish collector and the recycler.

Flint Is Named To Commission

The selectmen recently approved the appointment of Nicholas Flint to a four-year term on the Development and Industrial Commission.

The board also approved the town manager's reappointment of Lawrence Spiegel, Dorothy Sherrerd, Thomas

Swift, George Fantini and George Ziad, all to five-year terms on the commission.

The nine-member commission also includes S. Joseph Hoffman, Robert Finlayson and Susan Tucker.

Mattheson Reappointed Accountant

Wendell A. Mattheson of Clark Road has been reappointed to a three-year term as the town accountant, with the selectmen's approval.

The board approved his appointment, recommended by Town Manager Kenneth Mahony, Monday night at Town Hall.

Industries Receive Permits

The Board of Selectmen granted permits to two Andover industries during their meeting Monday night, one for earth removal and another for chemical storage.

The selectmen unanimously voted to permit Instrumentation Laboratories, Inc. to remove earth material from its Burt Road site. There will be no new excavation, the town manager explained, but just the removal of 10,000

cubic yards of peat that has been stored on the site.

And the board voted to allow Digital Equipment Corp. to store up to 1,000 gallons of chemicals in a special 300,000 square-foot room in their West Andover Industrial Tech Park plant. The chemicals, some of them flammable, will be stored in 55-gallon drums, and used in the research and development of prototype circuit boards.

Utility Permits Granted

The gas company will excavate in two locations and an Andover developer will install a new water main, both with the selectmen's approval.

The selectmen Monday night approved the Bay State Gas Company's request to excavate at Lot 86 Canterbury St. to install new gas service, and at 52 Whittier St. to renew gas service. The work must be done to the satisfaction of the Public Works direc-

tor.

And the board approved developer William Konstantinkos' request to install a 12-inch water main from an existing 10-inch main on the southerly side of Bailey Road. The new main conforms with the town's master water plan, according to the town manager, and will be done at the developer's expense.

Licenses, Permits Approved

The selectmen approved a variety of licenses and permits Monday night, including one request for a summer celebration.

The Hewlett-Packard Corp., 1776 Minuteman Road, received a one-day malt and wine license for Aug. 21, with a rain date of Aug. 22, for a picnic at the Greater Lawrence Regional Vocational Technical High School.

Joseph and Celeste Carnevale, doing business as Bel Capri Deli Grocette at 32 Andover St., were granted a common victualler's license.

John Crawford of Georgetown was approved as the new manager of the

Ground Round restaurant at 560 South Main St., which is owned and operated by the Howard Johnson Company.

Paul G. McInnis of Paul McInnis, Inc. was granted a one-day auctioneer's license for 10 a.m. to 5 p.m. July 31 for an auction at 17 Hidden Road.

And the board gave Physical Sciences, Inc. permission to erect a directional sign within the public right-of-way at the intersection of Frontage Road and the access road leading to the company's new plant. The town manager recommended that approval, saying it would improve the traffic flow in the area.

Oriental Garden

The Peabody Museum created. In 1962, after buildings on that property were razed, the late Oliver Wolcott, a museum trustee, suggested converting the property into the type of restrained, restful garden. Printed maps and guides to the garden will be available as well as a volunteer to answer questions about its inter-

esting and varied planting. Visitors may enter the garden through the Mifflin Gallery at no additional charge beyond the regular admission fee. The Peabody Museum of Salem is open Monday through Saturday from 10 a.m. to 5 p.m., Sundays and holidays from 1 p.m. to 5 p.m.

Center For Arts Seeks Building

The committee for the Center for the Arts for Merrimack Valley will present some important decisions at the July 6 meeting, according to organizer Margo Porter.

The Andover-based group, which is searching for a place where artists and craftspeople can work, exhibit and teach, has scheduled its third public meeting at the Lawrence Savings Bank, Shawsheen Square at 7:30 p.m.

Incorporation has been started and a building search is underway, Mrs. Porter said. "It will be the last meeting of the summer and some important decisions will be presented. A statement of purpose will be defined and a board of directors will be named" at the meeting, she said.

All artisans and those interested in the promotion of the arts in the community are urged to attend.

For further information, call Mrs. Porter, Evergreen Lane, or Kathy Gaynor, 170 North Main St.

PWP Meets

Parents Without Partners (PWP), Merrimack Valley Chapter 136, will hold a general meeting July 7 at 8 p.m. at the North Andover VFW, Chickering Road (Rte. 125) at Park Street. Newcomers welcome. Speakers of interest to single parents will be featured.

Pomps Opens With Fun Day

Pomps Pond, Andover's public beach, opened for the season on Saturday, June 19, and held its first major activity, a family outing and fun day, on Sunday, June 27.

Bill Scism's Jazz Band of AFM Local 372 played from 2 p.m. to 4 p.m. Shaving cream races, tug-of-war, greased watermelon contest and a scavenger hunt, which was won in a tie by a team 4 composed of Mark Brouillard, Jason, Olson and Steve Willard and Billy Yoniker and team 5 consisting of Paul Gosselin, David, Jamie and Marlene Lipman. Team 4 received special recognition for finding an oak leaf (an item on the scavenger hunt list) without a hole in it.

Families were invited to picnic, grill their own food or purchase their Sunday dinner at the snack bar from Jeanette Donovan at old-fashioned prices. She was assisted by Dave O'Neill, DCS program director.

The highlight of the day was the crowning of "Miss Pomps Pond," Kristen Phillips. Contestants, all 10 years old or under, were judged by Chris Bedell, Kevin Davidson and John Hannon. Other contestants were Kim Ashdown, Jennifer Bastian, Heather Foster, Elyce Friedlander, Kim Germain, Wendy Germain, Marjorie Goodwin, Jamie Lipman, Julie McCullough, Chastity Phillips, Trina Picard, Lani Radack, Liana Rinaldi, Jenny Schapira, Erica Theberge and Brina Wills.

The Pomps Pond staff this year is: Victoria Robb, waterfront director; Chris Bedell, head lifeguard; Jennifer Bottomley, John Hannon, Mike Maher, Abby Robb, Carol Robb and Mary Wermers, lifeguards; Carolyn Bishop, Jill Bottomley and Rick Conron, pond instructors; Jeanette Donovan and Phyllis Winters, concession stand.

The pond is open seven days a week from 10 a.m. to 8 p.m. Swim instruction classes are held Monday through Thursday from 10 a.m. to 12:35 p.m. Registrations are still being taken.

Canoe rentals, at \$1 per hour, are available from 12:35 p.m. 'til closing Monday through Thursday, and from 10 a.m. 'til closing Friday through Sunday. Persons renting canoes must be 12 years of age and pass a required water test.

The public is urged to take advantage of this fine local facility. The pond is water tested by the Board of Health every week and maintained according to required health and safety standards.

Receives UOP Entrance Honors

Andover High School graduate Janet M. Corazza of Andover has been granted an academic honor award by the University of the Pacific, Stockton, Calif., for the 1982-83 school year.

E. Leslie Meford, Jr., dean of admissions, announced that the award was presented to those freshmen whose grade point average is 3.5 or higher on a 4.0 scale. The recipients also have high Scholastic Aptitude Test scores.

Ms. Corazza will receive \$100 as part of the

award.

Founded in 1851, UOP was California's first chartered institution of higher education. It is

comprised of two liberal arts colleges, professional schools in music, engineering, education, pharmacy, and business

and public administration, plus a graduate school, and schools of law and dentistry.

Andover Residents On Board

Four Andover residents have been elected directors at the annual business meeting of the Andover School of Montessori for the 1982-83 school year. Jaime Woodroffe and Janice Goldstein, members of the 1981-82 board, will remain for another two years. Lucie LaMaitre, a former board member, will return to serve for two more years.

New member Ronald Cooper has been elected to his first one-year term. All four join three Andover residents, Mary O'Brien, Sandra Stewart and Michael Smith, currently serving two-year terms, to complete the seven-parent board as the parent-owned school prepares to enter its eighth year of operation in the fall.

Special recognition and thanks were extended to Linda (Mrs. Robert) Brammer of Andover for her instrumental role in starting the school and her active participation since 1975 as a board member, board president, fundraising chairperson, former administrator and supporter. Many children have and continue to benefit from her years of dedication to establishing and maintaining the quality of the Andover School of Montessori.

Following the annual meeting the new board held their first organizational meeting, during which officers were elected: Jaime Woodroffe, president; Mary O'Brien, treasurer; Sandra Stewart, secretary. Several parents were appointed to chair committees: Catherine Bateman of Andover, social committee; Elaine Gantz of Andover, hospitality committee; Sandra Stewart, scholarship committee; Lucie LaMaitre, telephone committee; Jaime Woodroffe, fundraising. Eugenia Buba of Andover will be responsible for the parents' newsletter and Nancy McHugh of North Reading will serve as publicity chairperson.

As in the past, all members will act as liaisons between the board and the numerous parent committees to ensure that this cooperative, non-profit, parent-run school continues to be successful in providing a quality Montessori program for preschoolers in this area.

Children's Theater

William Shakespeare takes to the woods this summer, and you can share in his magical comic fantasy when the Newburyport Children's Theatre presents "A Midsummer Night's Dream." The talented cast of children and adults will light up Newburyport's Atkinson Common on Thursday, Friday and Saturday, July 15-17. Medieval and Renaissance music on flute, mandolin and drum will add to what director Larry Trettler calls an atmosphere of "lovable chaos."

Scholarship Established

A tuition assistance scholarship for students from St. Augustine's parish in Andover who are enrolled as full-time Merrimack College students has been established in the memory of Reverend James F. McNulty, O.S.A.

A native of Lawrence, Fr. McNulty was a nationally known spiritual author and expert in preaching and retreat work. A few years ago at the age of 43, he tragically died after being struck by a trolley car in Vienna.

Described as "vibrant, exuberant, a very friendly, outgoing person," Fr. McNulty was also considered by those who knew him as a "very deeply spiritual man" who was never too busy to help one in need.

His parents, Mr. and Mrs. Francis A. McNulty, long-time residents of Andover, live at 200 Elm St.

According to the scholarship organizers, a minimum of \$1,000 will be yearly raised and awarded. Recipients will be selected on the basis of need and merit by a committee composed of Reverend Richard T. O'Leary, O.S.A., pastor of St. Augustine's parish and Sheila Doherty, parish youth minister.

Donations to the scholarship can be sent to Fr. made out to: Reverend O'Leary at St. Augustus James McNulty Scholarship's. Checks should be arship Fund.

Mary Wesson (C) displays her Alumni Achievement Award with Merrimack College President Rev. John E. Deegan, O.S.A. (L) and Kathy Mohan (R), a member of the Alumni Association.

Alumni Award Recipient

An Andover resident was among those to receive Merrimack College's most prestigious alumni awards at the college's alumni reunion, it was announced by Alumni Director James Greeley.

Mary Wesson of 38 York St. received an Alumni Achievement Award for her outstanding professional achievement and volunteer work in the community.

A 1957 graduate of Merrimack, Mrs. Wesson has been affiliated with the Lawrence Adult Basic Education Program for more than 16 years. Working in all phases of education, she has coordinated and guided several special programs at the Adult Action Center in coordination with community public agencies such as The Community Action Council, C.E.T.A., Division of Employment Security, Lawrence Chamber of Commerce and the National Alliance of Bbusiness.

Mrs. Wesson has done curriculum development work and has also been involved with career counseling and training in job search techniques and placement in connection with adult education.

She serves as the director of the Alternative Sentencing

Exhibit

A series of photographs by Barrett S. Bacall of Melrose will be on display at the American Mutual Insurance Companies each weekday through July 16 from 8 a.m. to 4 p.m.

Largely self-taught, he has been involved in photography for ten years, studying and developing techniques. His technical style is channelled towards detail emphasis, specifically on details of nature—the delicate and intricate facets of our surroundings that the eye seldom pauses to see.

Bacall is employed by Rainin Instrument Company, Inc., in Woburn as the purchasing/inventory control supervisor.

Program in Andover. Her duties include counseling and evaluation of youth 14 to 17. Reporting directly to the District Court, she is also responsible for the placement of youths in non-profit organizations.

Actively involved in the community, she has served as a youth minister of the high school Religious Education Program.

Honored as an Outstanding Young Woman of America, she has been a CPR instructor for the Greater Lawrence Red Cross.

"The college and the Alumni Association does itself honor by honoring Mary Wesson," remarked Alumni Director James Greeley. "Mary is a kind,

generous and compassionate person who genuinely is concerned for others."

She is married to Charles Wesson; they have six children.

Chiropractic Research

Laboratory research on chiropractic is being conducted throughout the world. Dr. Chung Ha Suh, a noted specialist in spinal biomechanics, with a team of other scientists at the University of Colorado, is currently involved in studying the dynamics of a condition known as vertebral subluxation. Vertebral Subluxation occurs when a spinal segment moves out of alignment, causing pressure on its corresponding spinal nerve, thereby interfering with the nerve system. The Colorado research team has demonstrated that slight pressure on a nerve root as it emerges from the spine will kill the function of that nerve 60% in a matter of minutes. Further, 1-3 hours of greater pressure will cause many of the nerve fibers in the nerve root to rupture, producing poisons

which spread to the surrounding tissues. These poisons are then absorbed into the nerves, progressively destroying them throughout a lifetime. Finally, chiropractic clinical research has demonstrated that subluxations lead to more subluxations.

The destructive effect of subluxations is progressive and relentless. Chiropractic care specializes in the detection and elimination of vertebral subluxations. Call to arrange for a chiropractic consultation and exam.

Jazz Concert Wednesday

The Department of Community Services Summer Concert Series is sponsoring jazz guitarist, Christopher Brooks and Friends, in Central Park on Wednesday, July 7, at 6:30 p.m. A graduate of the New England Conservatory and a frequent performer in the Boston area, Brooks has already established himself as a composer and innovator who is considered to be one of new music's most active voices. Equally at home with the classical and jazz traditions, he presents concert performances which reflect unusual depth and versatility.

Lifesaving

The Andover-North Andover Y.M.C.A. and the Greater Lawrence Red Cross will sponsor and advanced lifesaving course for those who meet the following requirements: 15 years of age or older, ability to perform a standing front dive, swim 50 continuous yards, surface dive, swim underwater and tread water.

Advanced lifesaving is designed to provide knowledge and skills to save lives in an aquatic emergency.

The course will be held at 165 Haverhill Street starting Wednesday, June 30, from 5:30 p.m. to 8 p.m. and continue for eight sessions. Water Safety Instructor Andy Guisbond reports registration is taking place now.

Brooks is the grandson of Cab Calloway, orchestra leader of the Swing Era. Famed for his ebullient shout, "Heidie-heidie-ho," Calloway had a knack for showmanship that has been far more often mentioned than his capable musicianship. In fact, Brooks does make good copy because of his family background, but with the deepened respect for the art, not the zany behavior of jazz musicians, that's developed over the ensuing decades.

Brooks, a math-minded individual picked up the guitar instead of the calculator. "It seemed more fundamental," he says, "more tan-

gible, more far-reaching." He sees theories such as the Lydian or the very mathematical Schilling System of Music Composition as adding "resources to my improvisational and compositional approach on the guitar. I found tremendous potential to the guitar, especially in timbre. So much so that I haven't used the synthesizer because there is so much to the guitar, especially the electric guitar."

Jazz pieces include selections by Duke Ellington (his grandfather's best friend), Cole Porter and Thelonius Monk. In the event of rain, the concert will be held on Thursday, July 8.

Awards Presented During Final West Junior High Assembly

West Junior High School's departing ninth-grade class was honored during an awards assembly on June 22, and again during a final assembly on the last day of school, June 23.

During the final assembly, Student Council President Amy Moynihan led the salute to the flag and made the welcoming remarks. Lisa Gagliardi, council secretary, and Sandy Saba, treasurer, made two special presentations. Paul Belle Isle offered his reflections, and the West Side Singers sang "No Man Is An Island."

The following awards and prizes were then presented:

The John Grecoe Award for athletics, scholarship, posture habits, health and sportsmanship went to Sara Michelle Sapuppo, the daughter of Mr. and Mrs. Michael Sapuppo of 7 Regis Road; and with equal merit, to Katie D'Urso, daughter of Mr. and Mrs. Samuel D'Urso of 7 Hansom Lane, Paul Lambers, son of Mr. and Mrs. Vincent Lambers of 4 Tally Ho Lane, and Glen Livermore, son of Mr. and Mrs. Kenneth Livermore of 34 Wild Rose Drive.

The Miriam McArdle Award for excellence in music was presented to Dino Martone, son of Mr. and Mrs. Dino Martone of 86 Poor St., instrumental; and Stephen Shrestinian, son of Mr. and Mrs. Ara Shrestinian, 5 Mitton Circle, vocal.

The V.F.W. Post 2128 award, given to the student with the highest qualities of loyalty and Americanism, went to Kathleen Murphy, daughter of Mr. and Mrs. James Murphy of 256 River Road; and with equal merit, to Jean Kelly, daughter of Mr. and Mrs. Raymond Kelly of 16 Brady Loop, and Christopher Comparato, son of Mr. and Mrs. Thomas Comparato of 10 Fulton Road. That award is given in memory of PFC Alexander S. Waldie, who died in service in World War II, and in memory of all deceased members of the V.F.W. post.

The Anthony J. Stabile Memorial Award for outstanding athlete of the year was presented to William Weidman, the son of Mr. and Mrs. Kenneth Weidman of 89 Haggetts Pond Road.

The Janet Conte Memorial Plaque for excellence in foreign language study was presented to Stephen Shrestinian, in memory of Miss Janet Conte, Andover foreign language teacher from 1961 to 1981.

Faculty awards for those students who have demonstrated a high quality of character, loyalty, attitude, and scholarship while at West went to Ann Marie Conron, daughter of Mr. and Mrs. Richard Conron of 15 Arundel St., and Austin Wang, son of Mrs. Lucille Wang of 6 Apollo Circle; and, with equal merit, to Jerry Farro, son of Mr. and Mrs. Jerry Farro, 9 Bristol Lane.

The Good Citizens Medal was awarded to Barbara McNeil, daughter of Mr. and Mrs. Joseph McNeil; and, with equal merit, to Pamela Nicastro, daughter of Mrs. Mildred Nicastro of 2 Wintergreen Circle, Christopher Buckley, son of Mr. and Mrs. Frederick Buckley of 13 Chester St., and Paul Belle Isle, son of Mr. and Mrs. A.P. Belle Isle of 3 Whispering Pine Lane.

The Principal's Award, for the students who meet the highest personal standards set by the school, went to Amy Moynihan, the daughter of Dr. and Mrs. Robert Moynihan of 15 Geneva Road, Daniel Sheehan, son of Mr. and Mrs. John Sheehan of 10 Bateson Drive, and, with equal merit, to Paul Lambers.

Western Stars were presented to those students who demonstrate outstanding character, courtesy, commitment, cooperation and citizenship. Named Western Stars while in grade nine were Lisa Bellino, daughter of Mr. and Mrs. Francis Bellino, Christopher Buckley, Michelle Devoir,

daughter of Mr. and Mrs. William Devoir; Stephen Duncan, son of Mr. and Mrs. Thomas Duncan; Kathy Levesque, daughter of Mr. and Mrs. Raymond Levesque; Barbara McNeil, daughter of Mr. and Mrs. Joseph McNeil; Edward McParland, son of Mr. and Mrs. Francis McParland; Amy Moynihan; Kathleen Murphy; Pamela Nicastro; John Nicosia, son of Mr. and Mrs. John Nicosia; Christine O'Hearne, daughter of Mr. and Mrs. John O'Hearne; and Kim Sullivan, daughter of Mr. and Mrs. Eugene Sullivan.

Named to the Triple A Society, as students who were placed on the Honor Roll all four terms, were: Anne Abele, daughter of Mr. and Mrs. Thomas Abele of 27 Smithshire Estates; Andrea Baer, daughter of Mr. and Mrs. Martin Baer, 2 Cindy Lane; Michelle Bellia, daughter of Mr. and Mrs. Michael Bellia of 212 Greenwood Road; Lisa Bellino; Elizabeth Bram, daughter of Dr. and Mrs. Leonard Bram of 2 Deerberrylane; Melissa Coco, daughter of Mr. and Mrs. Cornelius Coco, 11 Standish Circle; Anne Marie Conron; Christopher Comparato; Susan E. Sterensis-Grossman

Mrs. Joseph B. Sterensis

Barbara Caryll Grossman, the daughter of Mr. and Mrs. Joel M. Grossman of 910 Dale St., North Andover, was married to Joseph B. Sterensis on May 29 at Temple Emanuel in Andover.

The groom is the son of Mrs. Yetti Sterensis and the late Mr. Abram Sterensis of St. Petersburg, Florida.

Rabbi Harry Roth officiated at the 8:30 candle-light ceremony. The temple was decorated with white bows on the pews, flowers and greenery,

including a canopy of ficia trees and white baby orchids at the altar.

The bride, given in marriage by her parents, wore a Jena original design of candlelight chiffon with a beaded empire bodice and an A-line skirt, adorned with Alencon lace and with a cathedral train trimmed in lace and beads. She wore a Juliet headpiece draped with silk illusion veiling, and carried a cascade of cream roses, stephanotis, white baby orchids, and lilies of the valley.

The bride's matron of honor was Mata Miller of Newton. Bridesmaids were Caryn Grossman of Marina del Rey, Calif.; Susan Martineau of Salem, N.H.; Sharon Muskar of Chevy Chase, Maryland; Bonnie Blustein of Dover; and Helene Verge of Newton. They wore gowns of lavender chiffon, tied at the shoulder, with satin sashes, and carried cascades of spring flowers in shades of purple, lavender and pink.

The bride's mother wore a gown of periwinkle blue silk, beaded at the cuffs and neckline, and a corsage of gardenias.

The groom's mother wore a gown of rose Quiana with a pleated skirt and gold beaded trim on the belt, and a corsage of white orchids.

The groom's best man was B. Scott Lorditch of Pamona, N.Y. Ushers were Jeffrey H. Grossman of Marina del Rey, Calif.; Henry Muskar of Chevy Chase, Maryland; Andrew Miller of Newton; Paul Grossman of Lutz, Florida; and Garry Grossman of Rockville, Maryland.

Guests from New York, Florida, California and Pennsylvania attended the ceremony, and the reception which immediately followed at the temple.

Following a wedding trip to Woodstock Inn in Woodstock, Vermont, the couple is living in St. Petersburg Beach, Florida.

Mrs. Sterensis is a certified speech pathologist. She is a graduate of Emerson College and Northeastern University.

Her husband is president of Physicians Assistants Services of St. Petersburg, Florida. He is a graduate of Long Island University.

Haydn, Brahms and Mendelssohn. The concerts will be performed alternately by faculty and students participating in the program. The faculty is made up of a select group of professional musicians who perform regularly in many major cities on the east coast as well as in the Boston and New England areas.

For further information, call the academy.

Tertullian, a Roman churchman of 160-230 A.D., wrote: "All places are now accessible; cultivated fields have subdued forests; flocks and herds have expelled wild beasts. Everywhere are houses; our numbers are

burdensome to the world, and our wants grow more and more keen." Massachusetts Audubon notes.

Barracuda Swim Club

The New England Barracuda USA competitive swim club is accepting registration for the summer training session from June 21 to August 13. Head coach Bob Pyatt will be assisted by three well-qualified swim coaches in this comprehensive swim program for all levels of competitive swimmers.

Two early morning practices will be held at the Hanscom Field pool, Bedford; one will be for more experienced select swimmers.

Evening practices will be held at the Brandeis University pool, Waltham, and Shawsheen Vocational High School pool, Billerica.

For more information, write New England Barracudas, 70 Pond St., Natick, MA 01760.

Hadley-Harrison

Mrs. Nicholas J. Hadley

Elizabeth Alexander Harrison, daughter of Mr. and Mrs. Fred Harold Harrison of Andover, was married June 26 to Nicholas John Hadley, son of Arthur Twining Hadley of New York and West Tisbury, and Mrs. Francis Fitz Randolph of New York and Edgartown.

The Reverend Philip Zaeder, assisted by the Reverend Christopher Seitz, performed the ceremony in Cochran Chapel at Phillips Academy, Andover.

The bride, a graduate of Phillips Exeter Academy, also attended Pingree School in South Hamil-

ton. She graduated magna cum laude from Yale College, where she was elected to Phi Beta Kappa, and earned a law degree from the University of California at Berkeley (Boalt Hall). She has been associated with the Boston law firm of Choate, Hall and Stewart.

The groom attended St. Bernard's School and Phillips Academy, Andover. He graduated summa cum laude from Yale where he was elected to Phi Beta Kappa, and is a doctoral candidate in physics at the University of California at Berkeley.

The bride's father is the Samuel Harvey Taylor Foundation instructor in American history and English literature at Phillips Academy where her mother is also a faculty member. The groom's father is an author and journalist and a former editor of the New York Herald Tribune.

Concert

The Cape Ann Symphony Orchestra will present its 30th anniversary concert on Saturday, July 10, at 8 p.m. in the Gloucester High School Auditorium. Royston Nash will conduct. The program will feature pianist, Martha Anne Verbit, in the Grieg Piano Concerto and will include the second movement of Beethoven's First Symphony; the "1812" Overture, complete with cannon; a "Pops" Hoe-down, a medley of familiar country music; and "Stars and Stripes Forever," to be conducted by the highest bidder at the Super Symphony Auction on July 7. Admission is free.

Theatre

Legitimate theatre brings new excitement starting July 2 to the West End Marketplace, the landmark turn-of-the-century motion-picture theatre renovated last year into a Faneuil Hall-like emporium now open with new restaurant, shops and Nantucket-village decor for its second summer at Main and Sea Streets, Hyannis.

The West End Playhouse opens with "Mack & Mabel." The professional company of New York and Boston-based actors, directors, choreographers and designers, under artistic director Stephen Weagle, will produce three plays in repertory through September 5.

"Mack & Mabel" is a musical biography of America's pioneer filmmaker, Mack Sennet, and the comedic heroine of the silent screen, Mabel Normand, whose films once pulled in the crowds at the West End Marketplace in its motion-picture theatre days.

Finney In Concert In Methuen

The Methuen Memorial Music Hall will present John Finney in an organ concert on Wednesday, July 7, at 8:30 p.m.

Finney is a 1978 graduate of the Oberlin College Conservatory of Music where he studied organ with David S. Boe and harpsichord with Lisa Goode Crawford. In addition, he attended both the North German Organ Academy (Harald Vogel, director) and the Academy for Italian Organ Music (Luigi Tagliavini, director). He has performed with Boston's Handel and Haydn Society, the Opera Company of Boston and the Cambridge Society for Early Music. Most recently he studied organ with Bernard Lagace and James David Christie. Finney is director of music at St. Mary's Episcopal Church, Newton Lower Falls, and assistant conductor of the Heritage Chorale in Framingham.

He will present three selections by Johann Sebastian Bach: Concerto I in G Major (after Johann Ernest) BWV 592; the Six "Schubler" Chorales, BWV 645-650; and Fantasy and Fugue in G Minor, BWV 542. Also included are Paysages euskariens

(1930), Ermend Bonnal: Six Variations sur un psaume huguenot, Opus 1, Andre Isoir; and the last two movements of Symphony VI in G Minor, Opus 42, No. 6, Charles-Marie Widor.

The next concert will be July 14 with organist, Peter Sykes.

Some time soon, when you turn on a light switch, you may be benefiting from more moderate electric rates, thanks to a method of transporting coal that costs considerably less than rail conveyance.

The method is coal slurry pipelining. Through a system of underground pipes, a mixture of finely ground coal and a liquid, usually water, is pumped over long distances. The slurry is destined for power generating stations where the liquid is removed and the dried coal burned to produce electricity for the nation's homes, offices and factories.

Dedication At Church On Friday

The reverend David Blanchard, minister of the North Parish of North Andover, will conduct a brief dedication ceremony to celebrate the re-installation of the weather-vane in the steeple of the North Parish Church at 5:30 p.m. Friday. The ceremony money will open the Fourth of July festivities on the Common and will celebrate completion of the first phase of a five-year restoration program aimed at preserving the church building, whose history is so closely linked with the origins of the town itself.

Members of the parish and Reverend Blanchard wish to use this event as a way of expressing gratitude to members of the local community who have contributed to the preservation program.

will take place on the church steps and will be preceded by a 15-minute ringing of the Paul Revere bell in the church tower.

The present church building was constructed in 1826. The bell was cast by Paul Revere in 1807. The dedication cere-

A. Graham Baldwin, Minister At Academy

A. Graham Baldwin

A. Graham Baldwin, the first president of the area mental health board and Phillips Academy's school minister until 1966, died June 25 at Stevens Hall of heart failure. He was 79.

A native of Brooklyn, N.Y., and raised in Amityville, Long Island, Rev. Baldwin was a graduate of Polytechnique Preparatory School in Brooklyn and Williams College. He held a bachelor of divinity degree from Yale Divinity School, and also received an honorary doctor of divinity degree from Williams College.

The minister began teaching religion at Phillips Academy in 1930, at the invitation of headmaster Alfred Stearns. He became school minister in 1932, and served in that position until 1966. He wrote a number of textbooks on the teaching of religion, which were published by the Oxford University Press and the United Church of Christ.

President of the area mental health board, Rev. Baldwin also headed a committee working toward the establishment of area mental health boards, appointed by the commissioner of mental health in 1966. In addition, he served as director of the Greater Lawrence Guidance Center, and as a trustee at Lawrence General Hospital.

He leaves his wife, Katherine (Ashworth) Baldwin of Andover; two sons, Peter of Gilmanton, N.H. and Robert of Nashville, Tenn.; two brothers, Arthur of Harwichport and Colin of Shaker Heights, Ohio; one sister, Elizabeth Spencer of Jamaica Plain; and six grandchildren.

Funeral services were held Wednesday afternoon at the Cochran Chapel at Phillips Academy.

The family requests that, in lieu of flowers, memorial contributions be made in Rev. Baldwin's name to Lawrence General Hospital, One General St., Lawrence.

Frances Brainerd

Frances M. (Peters) Brainerd of 60A Washington Park Drive, Andover, died June 27 at Lawrence General Hospital, where she had been admitted June 25 after suffering a stroke at her home. She was 90.

An Andover native, Mrs. Brainerd was born in Frye Village, now known as Shawsheen Village. She also lived in Salem; Bloomfield, N.J.; and Atkinson, N.H., where she attended the Congregational Church. She was the second oldest past worthy matron of Salem Chapter No. 98, Order of the Eastern Star.

The widow of Clarence Brainerd, she leaves one son, Gordon C. of Billerica; two daughters, Mrs. Margaret B. Reynolds of Weston, Conn. and Marilyn (Mrs. James) Cook, Jr. of Jaffrey, N.H.; one brother, Frederick R. Peters of Elmira, N.Y.; three sisters, Mrs. Margaret Davies of Andover, Barbara (Mrs. Alister) Ballantyne of Danvers and Mrs. Hazel Kallery of Lawrence; 11 grandchildren, 11 great-grandchildren and a number of nieces and nephews.

Funeral services were held Tuesday morning at Emmert Funeral Chapel, 93 East Haverhill St., Lawrence. Burial was in West Parish Cemetery.

Memorial contributions may be made to the Atkinson Congregational Church, Atkinson, N.H. 03811.

Phyllis E. Pimpore

Phyllis E. (Morris) Pimpore of 7 Burroughs St., North Reading, a former Andover resident, died Tuesday at her home after a long illness. She was 67.

A native of Marblehead, Mrs. Pimpore had lived in Andover for 35 years before moving to North Reading.

She leaves her husband, Leo E. Pimpore; three daughters, Patricia (Mrs. Warren) Andrews of Groveland, Prudence (Mrs. Edward) Langtry and Mrs. Susan Legere, both of North Reading; two sons, Eugene of Derry, N.H. and Louis of Lawrence; four sisters, Alice (Mrs. John) McKinnon of Salem, Mrs. Byrl Berube of Beverly, Mrs. Dorothy Sargent of Lynn and Silvia (Mrs. Edward) Dixie of Marblehead; two brothers, William Morris of Litchfield, Conn. and Ralph "Buddy" Morris of Salem; 11 grandchildren, and a number of nieces and nephews.

Private family funeral services were scheduled to be held at the convenience of the family. Cremation will take place at Harmony Grove Cemetery, Salem. Funeral arrangements are under the direction of the Lundgren Funeral Home, 18 Elm St., Andover.

Memorial contributions may be made to the American Cancer Society, 44 Lee St., Lowell. 01852.

Richard E. Barton

Richard Ewing Barton, 78, Hampstead, N.H., formerly of Andover, died Tuesday at Exeter Hospital, following a brief illness.

Born in Grand Rapids, Mich., he was a graduate of the University of Michigan.

He was product manager for the J.H. Emerson Co., Cambridge for nearly 30 years, retiring in 1979. In the 1950's, he was instrumental in setting up and operating a Lawrence factory for the firm, which manufactured iron lungs for polio victims and shipped them throughout the world.

Mr. Barton is survived by his wife, Violet (Gilmore-Forbes) Barton of Hampstead, N.H.; a son, Michael E. Barton of Wellesley; a daughter, Mrs. Thomas F. Hartch of Greenwich, Conn. and six grandsons.

A Memorial Service will be planned.

Walter Disbrow Found Dead

Walter A. Disbrow of 259 Chandler Road was pronounced dead at Hunt Memorial Hospital in Danvers last Saturday, after he was discovered in a field in Middleton. Officials believe he may have suffered a heart attack. He was 75.

The Essex County District Attorney's office and the Middleton Police Department are investigating his death. A state police official said earlier this week that Disbrow apparently died of natural causes.

A retired janitor in the Andover school system, Disbrow was accused of committing a series of firebombings in the mid-1970s. He was found not guilty of attempted murder and arson by reason of insanity, and was committed to Danvers State Hospital for a six-month period during 1976.

Disbrow was charged with setting two fires at the home of Charles Kirk on Haggett's Pond Road, and one at the home of William Stevens.

playing fields. That complex will house new offices for the authority and a meeting room for senior citizens, as well as living units.

Mrs. Pentland was educated in Worcester public schools, and is a graduate of the Worcester Art Museum School. She operated an automobile agency in Worcester for 20 years, along with her husband, Robert H. Pentland. She was also associated with the Arlington Trust Company for a number of years.

A Methuen resident, Mrs. Pentland is the mother of six grown children.

An Andover native, he attended Andover public schools and worked in the school system for many years, until he retired in 1979.

He leaves his wife, Ann (Gunter) Disbrow; one daughter, Mrs. Nancy N. Rigsby of Winchester; one granddaughter, Carol Rigsby of Winchester; and a number of nieces and nephews.

Funeral services were held Tuesday noon at the Charles F. Dewhirst Funeral Home, 80 Broadway, Methuen. Burial was in Elmwood Cemetery, Methuen.

Church Open For Tours

Lowell's mill girl author, Lucy Larcom, compared St. Anne's church to "a leaf out of an English storybook." This summer St. Anne's church will unveil its fascinating history to the public with tours on Wednesday through Sunday afternoons from 1 p.m. to 3 p.m., until September 1. Its Hook and Hastings pipe organ and Tiffany stained glass windows will especially delight antiquarians. The museum room displays photographs, tints and other historical artifacts. The church's chime bells were once described by an old churchgoer as "one of those influences under which the purer and gentler elements of our nature expand and grow."

St. Anne's church is located on Merrimack Street next to the Merrimack Canal. For more information, contact Lowell National Historical Park, 171 Merrimack St., Lowell, Ma.

Group To Participate

The Andover citizens for a Nuclear Weapons Freeze is a group whose purpose is to inform the citizens of Andover about nuclear disarmament issues.

At their meeting on June 28, they decided to participate in Andover's July 4 Ancient and Horribles Parade. The group will welcome any interested Andover citizens to join them in the march. Bring friends, family, costumes and posters to the bandstand in Central Park at 11:30 a.m., July 4.

The next meeting of the Andover citizens for a Nuclear Weapons Freeze will be Monday, July 12, at the Lawrence Savings Bank, Shawsheen Square, Andover, at 7:30 p.m.

Here's how to keep your refrigerator cold and energy-efficient: Your refrigerator controls should be set to medium range. Avoid unnecessary colder settings that waste money and energy.

\$150 Per Day

The American Automobile Association said that a family of four, vacationing by automobile this summer, should plan on spending approximately \$150 per day for meals, lodging and driving costs.

AAA's suggested vacation budget, which is nine percent higher than a year ago, breaks down as follows: \$68 for meals, not including tips and cocktails; \$58 for lodging; and \$24 for gas, oil, etc., for 300 miles of daily driving (eight cents per mile) with the car averaging 20 miles per gallon.

Costs for meals and lodging may vary considerably depending on the areas traveled.

There's Still Time For The Fireworks

By Peter Anderson

This is the third and final article in a series about this year's Fourth of July Celebration.

"George, where have you been? You've been gone since early this morning."

"Martha, you know I always get up early and walk up town for the paper."

"But, George, that was almost ten hours ago."

"Well, to tell the truth, I did get sort of side-tracked. When I started up town, I saw all this traffic outside of St. Augustine's School on Chestnut Street. Turns out that there was a breakfast for the whole town to celebrate the Fourth of July. I went inside just to see what was happening, and the pancakes and sausage smelled so good that I just thought I might have some breakfast. Two dollars for most everyone except for small children and for older citizens — only .99 for them. Not only that, Martha, but you could have as many pancakes as you wanted."

"How long were you there, George?"

"Well, I stayed there quite a while talking to people. Lots of our friends were there. Most of them were going home to get ready for the other activities, but I just walked up to the park to see what was going on. The breakfast was over about 10:00 anyway, so there was plenty of time."

"Plenty of time for what?"

"To get ready for the parade at 12:30. Remember the Horribles parades when we were younger? Well, they had one this year. First time in about 40 years someone told me. I hate to say it, but it was sure much more colorful than ours. First there was a flag, and then a Dixieland Jazz Band on a truck, followed by a fella riding a one-wheeled bicycle and he was juggling the whole time he was riding. After him was a guy on stilts in an Uncle Sam costume. And then there were all these people dressed up in costumes. Why, there were whole families and neighborhoods in the parade. They were all in costume. Some of them were downright funny. I recognized many of the characters they were playing. Some of them were making fun at things too. They all seemed to be enjoying themselves. Matter of fact, many of the people had made floats out of wagons and carriages and trucks and wheelbarrows, whatever. I really wished, Martha, that we had been in it."

Moved right down Punchard Avenue to Main Street, and down Main Street to Park Street, and then up Bartlet Street and back to the park. It only lasted for about 30 minutes, but it sure was fun. And they gave everybody who walked a souvenir."

"What did you do then, George? Why didn't you come home?"

"How could I come home, Martha? There was still too much happening to leave. You can't believe all that was going on in that park. Why, right next to the bandstand there was a stage set up, and all afternoon beginning at 1:30 different acts performed. First there was a magician. And then there was a juggler. A barbershop quartet came next, and finally a mime. You know, when they got done, they walked through the crowds and kept right on performing. But, there were other things happening, too. The Department of Community Services was supervising races for all the children. Over in another part of the park was a big tank and people were throwing softballs at this target. You'd know all those poor people who fell in, too. Why, there was the Superintendent of Schools, and the Town Manager, and three members of the School Committee and the chairperson of the Board of Selectmen. Beyond them was a big area for pony rides. Rides were free, too. Also, Martha, there was a greased pig contest. Haven't seen one of those for a long time. In another spot you could have your picture taken with a funny body attached to your head. And the food, Martha, why, all these local organizations were there, set up in booths."

You could buy hot dogs, hamburgers, soda, lemonade, strawberry shortcake, sausage sandwiches, cotton candy, popcorn, ice cream and sno-cones. None of it was real expensive, and all the money went to a good cause. Also, people in clown suits were selling balloons all afternoon. Of course, if you were really hungry, you could enter the blueberry pie-eating contest run by the Department of Community Services. And, finally, Martha, at 4:00 when everything looked like it was winding down, there was a tremendous band concert with a 55-piece concert band and they played for a full hour and a half. You know, Martha, it really was like an "old fashioned Fourth."

"You mean that you saw all that and that you didn't come and get me? Really."

Pump Station Funds May Not Need Lobbying Effort

By Sue Aucella Deacon

The Public Works director's proposed trip to Washington, D.C. to lobby for funds for the Riverina Road pumping station may prove to be unnecessary, the director said this week, but if he does go, it will probably be in the fall.

DPW Director Robert McQuade said the town is now "wrapping up" final plans and specifications for the \$6 million pumping station, which will be paid for with state and federal as well as local funds.

Andover will submit the plans for state approval next month, and the state review will then take several weeks, McQuade indicated.

No one can predict at this time how the federal Environmental Protection Agency will allocate its fiscal 1983 funds, but the pumping station may stand a good chance of being funded, the director said.

If it isn't, then the town will "pull out all the stops," he said. The director will travel

to Washington, accompanied by at least one selectman, to impress local representatives with the importance of funding the Riverina Road project.

McQuade first proposed the idea of a lobbying trip a year ago.

The town is counting on the EPA to fund 75 percent of the project, and the state, 15 percent; the town will pay for the rest.

This year's annual town meeting appropriated \$1 million to help fund the project. The project has been in the planning stages for a number of years.

Plans for the project call for building a new pumping station off Tantallon Road, on what is now part of the Shetland Properties in Shawsheen Village, to replace the existing 49-year-old station on Riverina Road.

The new station will be equipped to pump 18 million gallons of sewage per day, compared to 12 million gallons at the existing station.

Hart Will Go Sticker Route Seeking Seat In Congress

The state Ballot Law Commission may have found her nominating petition invalid, but Louise Hart of Andover is "not about to allow this to stop me," the Republican candidate for the Fifth District congressional seat said this week.

The ballot commission last week ruled that 102 of Hart's nominating signatures were invalid, leaving her with fewer than the 2,000 signatures needed to get her name onto the primary ballot.

Hart told the TOWNSMAN she and her campaign manager, William McCarthy, are now "leaning toward" conducting a sticker campaign to get her name on the ballot, rather than fighting the ballot commission's ruling in court.

A court battle could consume most of the summer, while a sticker campaign would be a "more positive" approach, she explained — and kept attention focused firmly on the issues.

"I refuse to be dragged down into the dirty aspects of politics," Hart said, calling herself optimistic about the chances for a successful sticker campaign. "I do not want the campaign dragged down into the muck and mire."

She plans to focus on the record of incumbent Democrat James Shannon of Lawrence, who has represented the district for two terms, Hart indicated. Shannon's vot-

ing record shows that he has not addressed the problems of the district, she said: development and growth, and the economy.

"The economy tends to be the cutting issue, because it effects so many other things. Inflation, high interest rates, the cost of energy — they're all related to the economy. We need jobs, and we need cheaper energy."

She added that she has been "heavily involved in civic, educational and social aspects of the community, and my opponent has not."

The incumbent has also demonstrated a lack of leadership, Hart said, failing to "sense the mood of the people" before the people are forced to battle for their views. The views of the district are not being represented, she said, leaving people with a growing frustration.

"Leadership is sensing where the people need to go and want to go. It is not going down to Washington and doing whatever you want to do."

Hart has been actively campaigning for the past year, touring the district, which after recent redistricting now includes Framingham as well as Andover, Lawrence and Lowell.

Last week she traveled to Washington, D.C. to meet with President Ronald Rea-

A Fun-Filled Sidewalk Bazaar

The annual Andover Sidewalk Bazaar was held last week attracting children and adults alike. There were rides, games, a variety of summertime fare, music, a road race, and of course, wonderful bargains all along Main Street. A Neighborly Observance

After an absence of a couple of years, Andover will again have a Fourth of July celebration with a family theme prevailing throughout the planned activities this Sunday.

Civic groups which formerly conducted the annual observance passed from existence, and a year ago it was learned too late that there were no volunteers or funds available to plan a program for the Fourth.

The situation was remedied this year when Peter J. Anderson and a group from the South Church expressed an interest in providing a family-type program in the interests of fun for the many who remain in Andover and off the highways on this popular holiday.

Assisted by a number of volunteers, business and civic groups in town, Anderson and his committee now have a full program in place, beginning with a breakfast at St. Augustine's school hall from 8 to 10 a.m. Sunday.

This will be followed by the reinstitution of an Antique and Horribles Parade on Main Street beginning at 12:30 p.m. Years ago this was among the more popular events on the Fourth, with the townspeople participating in all

sorts of regalia to the delight of both participants and parade-watchers.

For the remainder of the afternoon there will be plenty of activity at the Park in front of East Junior High School. The entertainment will be free. The refreshments will be offered at nominal prices. There will be contests, a band concert and in general just a fun-filled afternoon.

Capping off the program in the evening will be a fireworks display, always a crowd-pleaser in the past and expected to be no different this year.

There has been a lot of planning and work put into the renewal of the annual Fourth observance in Andover. The entire program has been designed to provide something entertaining for the entire family and provide the opportunity for Andover neighbors to sociably assemble on this important Patriotic Holiday.

For Peter Anderson and his committee, there could be no finer compliment to their efforts than a good turnout by the townspeople on Sunday.

It will insure a safe, sane, enjoyable and neighborly holiday.

Memorial Hall Library

Need A Good Book?

Summer is a popular time to read books you have heard about but have not had the time to do so. To aid you in your selection, Memorial Hall Library staff has prepared three new reading lists—1982 Summer Reading List, Junior High Summer Reading List and Large Type Reading List—all available in the main reading room. Various displays around the reading room will also feature interesting leisure reading materials. Any book over a year old and not on the reserve list may be borrowed on long-loan until September 15.

How Fast Can You Read?

Almost everyone can improve his/her reading speed and Memorial Hall Library is the place to learn the technique to do so. The popular Speedreading Course for students and adults, given by Sanborn Associates, will start next week. A morning course, Tuesdays and Thursdays from 10:30 a.m. to noon, begins July 6 and ends July 29. The Wednesday evening course from 7 p.m. to 9 p.m. begins July 7 and ends August 4. Registrations are still being taken at the Circulation Desk. The fee is \$45, payable at the first session.

When Is The Library Open?

Memorial Hall Library and the Ballardvale Branch will be closed Monday, July 5, in observance of Independence Day. The library is now on its summer schedule and is closed Saturday and Sunday through Labor Day. Summer hours are 9 a.m. to 9 p.m., Monday-Friday. Ballardvale Branch is open Mondays from 2 p.m. to 5 p.m. and 6 p.m. to 8 p.m. and Thursdays from 2 p.m. to 5 p.m.

Build The Castle Of Your Dreams!

A new summer reading program started in the Children's Room and at the Ballardvale Branch. Children may join at any time and choose castles with varying numbers of flag staffs. For each book read, a colorful pennant will be attached. All castle charts will be displayed until the end of the program in mid-August when certificates will be awarded.

For younger children, there will be weekly story hours in the Children's Room starting July 6 on Tuesday mornings at 10 a.m. and Thursday, July 7, at 7 p.m. For details on all Children's Room activities, drop by the library.

Down The Years With The Townsman

75 Years Ago — July 1907

According to the diary of an Andover resident, a year ago Sunday last was the day on which Andover experienced a very heavy hail storm.

Senorita Huidobro felt obliged to cancel her engagement here last Monday night. The postponed stereopticon lecture on "The Christ of the Andes" will be given on Sunday evening.

Chester Jefferson Farmer was one of the graduates from the Lowell Textile School, yesterday afternoon, having completed the three years' course in chemistry and dyeing. He received a prize of \$20 for the best graduation thesis, his subject being "Photomicrographic Study of the Fibres."

'Tis a sure thing that George Carlisle of Lawrence has bought nearly all of Frye Village, that is, all the Smith property except the large house, occupied until recently by the Smiths.

A track meet was held by the young ladies of Punchard school on the school grounds Tuesday afternoon. The meet was easily won by '07 and '10 came in second. This is the first time anything of this kind has been attempted in the school and the meet was very successful.

50 Years Ago — July 1932

On the afternoon of Saturday, at three o'clock, on Brothers' Field, the Phillips Academy Baseball Nine will play a team representing the town of Andover, the proceeds of the game to be given to the newly formed Andover Emergency Committee which is to take charge of securing work for the unemployed within the limits of the town.

A truckload of banana crates was passing through Andover Wednesday when the local registry of motor vehicles and the Andover police department intervened. After a short investigation into the contents of the truck by Police Chief George Dane and Sgt. Leonard Saunders, it was discovered that the bananas were the kind whose transportation is forbidden by the eighteenth amendment.

One of the finest, most valuable collections of paintings presented to date at the Addison Gallery of American Art will go on exhibition tomorrow. The collection represents all the New England galleries, and it is thought that this is the first time that an exhibition has included works from every gallery in this part of the country.

25 Years Ago — July 1957

The Andover street bridge in Ballardvale was back in use this week — after emergency repairs had once again made it safe for vehicular traffic. But Town Engineer Ralph Preble

has recommended that it still be posted at four-ton capacity rather than the six tons posted there in recent years.

The Sylvania-Corning Nuclear Company has told the Andover TOWNSMAN that its building plans in West Andover "may undergo considerable change, particularly as to the possible number, size and function of the proposed structures," depending on market conditions in the industry. A slow-down in the growth of the industry has forced a related slow-down by Sylvania-Corning.

Arguments pro and con were heard by the Board of Appeals last week, as the Lanam Club Inc. sought permission to use a 25-room home in Shawsheen as a men's club. A decision is expected soon. Objectors, mostly from the Castle Heights section, insisted the club will devalue their property and make meaningless the restrictive single-residence zoning laws now governing property uses in that section.

One of three operating Ford Model K touring cars in the country took two awards at a recent antique car meet. Owned by Mason Arnold, 105 Elm St., the car was voted a second place as the "most popular car" present and was the winner of the prize for "the oldest car present."

10 Years Ago — July 1972

Contracts with two municipal employee organizations have been agreed upon and signed, according to Town Manager J. Maynard Austin. The Andover firefighters union has reached agreement on a two-year contract which calls for a five percent salary increase and contains provisions for a 42-hour work week to be acted upon by the voters at election. The Public Works employees union has also signed a contract, for one year, which also provides for a five percent salary increase.

A Maine native, currently employed in New York has been named director of recreation and the community school program for Andover. Gary C. Ralph, currently superintendent of parks and recreation in Irvington, N.Y., will assume his new duties soon, following his appointment this week by Town Manager J. Maynard Austin.

The new compactor has arrived and is in service at the sanitary landfill site. The new machine which is designed to handle the operation of a sanitary landfill site properly arrived Tuesday and was placed in operation the same day. The new machine, approved for purchase at the annual town meeting, replaces the bulldozer which has been in operation for the past few years.

For Those Of Us Who Are Older

By Janet D. Lake

Special thanks to the citizens of Andover who supported the Haven Sidewalk Bazaar table this past weekend—both by contributing and purchasing. Your continued support for the programs that enrich the lives of our elder residents is necessary and appreciated.

Enjoy the summer lunch program that begins July 6 at West Elementary School. It continues to cost only 50 cents and is served at noon. But, it cannot be emphasized too strongly that reservations are needed. Call The Haven up until 10 a.m. of the day you intend to go, and they will be happy to take your reservation. At the same time they will arrange for the Wee-

bus to pick you up and take you back home after lunch. It will all be taken care of with one phone call.

The senior center will be closed Monday in celebration of the Fourth of July. It will open as usual Tuesday morning.

The next mini-clinic will be held at the senior center—The Haven—July 6 from 2 p.m. to 4 p.m. As usual, you must make an appointment by calling the Health Department at 475-7820. The July 13 clinic is scheduled for Chestnut Court.

Summer classes are in full swing at the center, but many of them still have room to include you. Why not ask about your areas of interest. The staff will be happy

to let you know what you should do to join any particular class.

There is still room for you on the Newport-Belcourt Castle trip July 19 and also for the Theatre trip, July 31, featuring Robert Merrill and the Tommy Dorsey Orchestra. Don't sit home bored with summer! There are things to do and nice people to do them with! Come on down to The Haven, Andover's senior center at 11 Essex St. Or call them at 470-0870.

"Whoever makes the fewest persons uneasy is the best bred in the company."

Jonathan Swift.

Lecture

Cuts, burns, bites, broken bones, head injury, accidental poisoning—What does one do in an emergency?

A free public lecture, "Emergency Care" will be offered at the Regional Health Center, 76 Treble Cove Road, Billerica, on Monday, July 12, from 7 p.m. to 9 p.m. An emergency medical technician from Enos Ambulance, Burlington, will present this valuable and practical information.

Most accidents occur in the home. Areas of concern and questions most often asked in an emergency situation will be addressed—what to do immediately, where to call for help and what to do while waiting for assistance.

JACK ANDERSON and JOE SPEAR

WEEKLY SPECIAL

Donovan isn't quitting --
but White House seeks replacementBy JACK ANDERSON
and JOE SPEAR

WASHINGTON -- Ray Donovan held a press conference last week to tell the world that he's not about to resign as secretary of labor. A lot of smart money was betting that Donovan had called his press conference to announce that he was quitting.

But the smart money was wrong. Donovan is a scrappy Irishman, and he's got his back up over the charges that he had ties with the Mafia when he was a New Jersey construction magnate. Either he's innocent or he figures that an attitude of outraged innocence will carry him through.

Obviously, the longer Donovan hangs in there, the tougher it's going to be on Ronald Reagan. And the tougher it's going to be for the Republicans this fall.

Surely someone in the White House has pointed this out to the president. And, in fact, our sources say that one of Reagan's closest political advisers has been urging for months that the president get rid of Donovan.

Publicly, the White House has supported the controversial labor secretary. But privately, White House aides have been contacting several possible successors to Donovan.

We are told that the man with the inside track is William Usery.

Usery was secretary of

labor under President Gerald Ford. His nickname is "Bourbon Bill." The nickname comes from the bottle of whiskey he reportedly took with him for sustenance during marathon negotiations with management and labor.

Usery has said privately that he thinks Donovan will be gone within 30 days. He added that he has had no official White House indication of this.

And Usery has also expressed privately a certain amount of sympathy for Donovan. It's backhanded sympathy at best. What he says is that Donovan might have been what Usery called "an honest crook." In other words, anyone in the construction business in New Jersey may be forced to do business with the underworld just to stay in business.

That's what Bill Usery thinks may have happened to the man he may succeed as labor secretary.

NON-NUCLEAR ADVANTAGE: A lengthy secret report to the president from Defense Secretary Caspar Weinberger gives a detailed comparison between NATO and Warsaw Pact strength in conventional forces in Europe -- that is, non-nuclear strength.

Here's what Weinberger's report told the president:

Between 1965 and 1980, NATO ground forces in Europe showed a 33 percent growth. If that sounds good, it shouldn't. Because the

Weinberger report estimates that Warsaw Pact strength increased by 80 percent over the same 15-year period.

This means that the Soviet bloc's advantage in conventional warfare strength has increased from a disturbing 1.5-to-1 over NATO to an alarming edge in ground forces of more than 2-to-1.

The greatest disparity has been in anti-tank weapons. Weinberger reported. While NATO's anti-tank strength has increased 200 percent since 1965, the Warsaw Pact's strength in this vital area has increased 600 percent. In other words, the Soviet bloc's ability to stop an armored attack has made three times as much progress as NATO's has.

After listing several other examples of NATO's lag in conventional weapons, the secret Weinberger report has this to say: "The net result has been the emergence of Warsaw Pact ground and tactical air forces that are much stronger and better prepared to sustain conventional combat."

The bad news doesn't end there. Weinberger pointed out that NATO has traditionally relied on superior equipment to offset the Warsaw Pact's acknowledged numerical advantage. But Weinberger reports that the Soviets' modernization programs have "diminished and in many cases reversed NATO's qualitative edge."

As one example, the Wein-

berger report mentions the M1 tank, which is NATO's ultramodern armored weapon. But continued improvement in Soviet tanks already in operation -- plus the expected deployment of the Russians' T-80 tank -- may offset the qualitative edge once enjoyed by the M1. Furthermore, NATO's advantage in air strength has also been diminishing, according to Weinberger.

In short, the Pentagon warns that the Warsaw Pact's conventional forces are rapidly reaching their goal. That goal is to defeat NATO's conventional forces "quickly and decisively by means of fast-moving, blitzkrieg-style offensive operations."

WHAT'S NEXT: Some cost-conscious congressmen are urging the Pentagon to withdraw the 300,000 U.S. troops stationed in Western Europe, but they'll stay there. One reason: Bringing them home would cost an estimated \$17 billion. The bloody fighting in Lebanon will continue, mainly because radical factions of the Palestine Liberation Organization will refuse to abide by any peace plans the Lebanese government comes up with. Look for news reports that North Korea has been selling American-made weapons to leftists in El Salvador and Nicaragua. The North Koreans have been buying U.S. arms that were captured or left behind in Vietnam.

It is sometimes a good feeling to be able to complete a home project by yourself. However, it usually makes sense to give the job to a professional firm. You may need to spend hours performing a task that can be done better and more quickly by a professional with proper tools. Granted, with the same tools you may approach the same quality. However, after an hour or two, the job would be done and the tools are unlikely to be used again. That can drive expenses sky high. One generally finds that the job can be done professionally for close to the same expenditure of dollars and the value of your time.

Women Runners In Session

Fast Women, the first running club for women in the Merrimack Valley and surrounding communities, will hold their next meeting on Wednesday, July 7, at 7:30 p.m. at the Lawrence Savings Bank, Shawsheen Square, Andover. If you would like to start a running program or meet other women in your town who share your interest in running, Fast Women is an organization for you.

Leo Doherty, Richard Zannini and Young H. Shin of the Law Kwon-Do School of Martial Arts will talk about self-defense. They will inform women on how to be more aware of their surrounding to prevent being the victim of an attack. They will demonstrate how to protect yourself if you are attacked. Women should come dressed in warmup suits or loose clothing so they can take part in the demonstration.

The Lawrence Savings Bank is located on Route 28 (Main Street) at the intersection of Route 133. New members are welcome. For more information, call the bank.

If you need to replace your refrigerator or freezer, consider buying one that is manually defrosted. Automatic defrost refrigerators use more energy.

Ruthers Successful In Canada

Mark Grams, Billy Lane, Kraig Burzlaff and John Leahy led the way offensively, while Kevin Rourke and Bill Weidman turned in strong pitching performances, as the Andover Gold Babe ruth baseball team returned from Montreal, Canada, with two victories in three games this past weekend.

Grams, Lane and Burzlaff lashed six hits apiece in the three contests, Leahy added five safeties, Rourke fired a complete-game shutout and Weidman collected a save with three innings of overpowering relief work.

Andover Gold, originally scheduled to play five games during its four-day stay, opened its 12th annual trip to Montreal with a solid 5-2 victory over the Dollard AA Bantam All-Stars (14 and 15 years old) on Saturday night under the lights at Lake Forest Park.

Sunday morning Gold, which consists of players 13-15 years of age, was matched against the Dollard AA Midget All-Stars comprised of young men ages 16 to 18.

Gold led early in the game and trailed only 5-3 before Dollard cut loose with seven runs in the bottom of the sixth enroute to a 12-3 triumph at Lake Forest Park.

The Gold crew then packed up its gear and traveled to Mead Par, taking out its frustrations on the previously-undefeated West Island AA Bantam Braves by a lopsided 17-0 score.

Those results left Andover Gold with a 39-11 overall record in Montreal during the past dozen years, while this season the Greater-Lawrence Babe Ruth League leaders are now 10-2 overall.

Gold lost out on two other games because of poor field conditions, with scheduled contests against the Lashine and West Island Midget AA All-Stars cancelled due to heavy rains last Friday in Montreal.

While in the Canadian city the Gold crew attended a Montreal Expos-Pittsburgh Pirates doubleheader at Olympic Stadium, visited the amusement area at Man and His World, and resided at the University of Montreal where they had use of the college's swimming pool.

Players making the trip were Billy Lane, Kraig Burzlaff, Mark Grams, John Leahy, Bill Weidman, Shane Smith, Mark Doherty, Kevin Rourke, Pete Quintal, Chris Olsia, Kurt Burzlaff, Earl Abdo, Gerry Nassif and Ray Rourke.

Andover Gold, 5-2

Gold scored single runs in each of the first four innings and added its final tally in the sixth, while winning pitcher Billy Lane (3-0) and Bill Weidman combined to toss a four-hitter against the Dollard AA Bantams.

Lane worked the first four frames, allowing three hits and a pair of unearned runs.

Weidman mopped up with three stanzas of near-perfect relief, surrendering one harmless single, fanning three and issuing no walks as he faced just nine batters.

Gold took a 1-0 lead in the top of the first when Mark Grams singled, stole second, advanced to third on Kevin Rourke's bunt, and scored on Lane's basehit.

In the second Shane Smith singled, Mark Doherty and Pete Quintal walked, and a free pass to Grams forced home the run.

The score jumped to 3-0 in the third when John Leahy ripped a double, went to third on Weidman's infield out, and trotted across on a single by Kraig Burzlaff.

In the fourth Mark Doherty singled, stole second, took third on Pete Quintal's infield out, and scored when Grams laid down a perfect suicide squeeze bunt.

Dollard came back with two unearned runs in the bottom of the fourth, taking advantage of two infield errors, a routine fly lost in the lights and singles by Greg Haddock and Scott Bensley.

Burzlaff ripped a double in the fifth, but was left stranded and the final Gold run in the sixth came when Grams reached on a fielder's choice and later crossed on Lane's single.

Weidman refused to give Dollard a sniff of the plate over the final three innings.

Kraig Burzlaff led the Andover Gold attack with 3-for-4, Lane contributed two solid hits, Grams had a single and scored twice and Doherty also singled and scored a pair of runs.

Grams was the unqualified defensive star of the game, gunning down four Dollard runners trying to steal.

Dollard Midgets, 12-3

Gold hung tough with the older and bigger Dollard Midgets for five innngs, but a combination of things led to the locals' demise.

The absence of Weidman (arm injury) and Shane Smith for most of the game didn't help, while John

Leahy (back) and Pete Quintal (neck) were playing hurt.

However, Dollard hit the ball hard off four Gold pitchers.

Starting hurler Mark Grams did an admirable job for the first four frames before tiring, as he permitted just two earned runs and struck out six.

Grams worked out of a bases-loaded jam in the first, fanning Dollard's fifth and sixth batters, and then Gold inched ahead 1-0 in the top of the second when Leahy singled, took second on Weidman's bunt, went to third on a single by Kraig Burzlaff and scored on a throwing error by the catcher as Burzlaff stole second base.

Dollard battled back with three runs in the third, the key strokes a two-run double by Aaron Palent and a subsequent RBI double from Mark Daniel.

Gold came back with a run in the top of the fourth to make it 3-2, as Billy Lane singled and Leahy rescued him with a long double to rightfield.

Dollard built the lead to 5-2 in the bottom of the fourth, parlaying an outfield error, a walk and singles by Case Canning, Ray Anderson and Palent.

The final Gold tally came in the top of the fifth. Consecutive walks to Mark Doherty, Ray Rourke and Grams loaded the bases for Kevin Rourke, who lofted a sacrifice fly to leftfield.

Leahy escaped a bases-loaded, one-out jam in the fifth, using a strikeout and infield grounder to Burzlaff at second base to avoid trouble.

But Dollard erupted for seven runs in the sixth, sending 13 batters to the plate. Gold pitchers handed out six walks, while RBI hits were laced by John Thomas, Canning and Palent.

Billy Lane and John Leahy sparked Gold with 2-

for-3 games, while Grams and Burzlaff had the other basehits.

Andover Gold, 17-0

Gold laced 15 hits enroute to its romp over previously undefeated West Island AA, scoring three runs in the first, five in the second and a fat nine in the sixth.

Righthander Kevin Rourke (1-0) retired the first seven batters he faced, and for the game scattered four singles as the winning pitcher.

Mark Grams paced the Gold effort as he hit for the cycle and reached base five straight times (one walk). Grams rapped a single, double, triple and his second homerun of the season, driving in four runs and scoring three in an awesome individual display.

Billy Lane wasn't far behind as he hammered a two-run double, a two-run triple and scored three times.

John Leahy went 2-for-4, scoring twice and collecting two RBI, Kraig Burzlaff went 2-for-3 with one ribbie, and Earl Abdo was 2-for-2 with a pair of RBI.

Kevin Rourke scored three runs, Mark Doherty delivered one hit and had an RBI, and Chris Colsia spanked a single.

Lane's two-run double highlighted the first, Grams lofted his two-run homer to rightfield in the second and key blows in the sixth were two-run triples by Lane and Grams along with a two-run single by Abdo.

The West Island singles were by hard-throwing starting pitcher Glenn Fascia, Wade Marshall, Steve Hayes and Serge Klondike.

Orioles 15 - Tigers 8

The Orioles closed their regular season play with a 15-8 victory over the tigers, thus eliminating the Tigers from a playoff berth.

The Orioles scored early and often and at the end of two innings held an 11-0 lead. Tigers' pitcher Scott Wallace experienced control problems in the first as Kevin Henderson, Allan Reeder and Geoff Wood all drew walks around a base hit by Chris Concemi. A Tiger error on a Hugh Maginnis grounder did further damage. Four runs crossed the plate.

In the Oriole second, Chip Stela and Eric Hammond singled. Henderson reached on a fielders choice and Chris Nelson laced a sharp double to left center scoring both Stela and Hammond. Concemi reached on an error, Wood walked and Maginnis delivered a single rescuing two more runs. In total, seven runners crossed the plate.

Oriole pitcher Henderson was effective in his three-inning stint, allowing only one run in the Tiger third on a Dave Vickers single and John Moosa triple. The Orioles countered with four runs of their own in the third with Henderson's double and singles by Concemi and Wood the key blows. However, the Tigers never gave up, the sign of a competitive team, as they rallied for seven runs in the final two frames. Taking advantage of Oriole pitching wildness and two key hits by Steve Howes, they finished on a positive note.

Defensively, there were some fine plays which must be mentioned. Tiger right-fielder J.B. Burgess made a beautiful shoe-string catch of line drive off the bat of Concemi. The Orioles center-fielder Nelson robbed Vickers with a running catch of a sinking line shot. Orioles left-fielder Stella made a fine play of a Wallace line drive and Allan Reeder, Orioles shortstop made his presence known with some excellent plays. It's on to the playoffs for the Orioles.

Orioles 18 - Indians 5

The Orioles defeated the Indians behind the three-inning, no-hit, no-run pitching performance of Kevin Henderson, a great defensive play by Allan Reeder at shortstop and a host of offensive stars. The final score was 18 to 5.

The Orioles stored three in the first as Eric Hammond led off with a double, Chris Nelson walked, Chris Concemi singled home Hammond, Reeder hit a sacrifice fly to score Nelson and Craig Knight singled scoring Concemi.

In the Oriole third, 12 runs crossed the plate. Henderson and Nelson singled to be followed by a series of base on balls. Run-producing base hits in the frame were subsequently delivered by Patrick Kelley, John Gilmartin, Eric Hammond and Henderson (his second).

The Indians scored three in the fifth with Mike LaBreck and Matt Pothier (a double) providing the offensive punch. In the Indian sixth, Ted Andry and Jeff Hurley singled and eventually scored.

The Orioles' Henderson (three hits), Hammond and Nelson (a pair each) were the hitting stars. Henderson, with his perfect outing, Hugh Maginnis and Brett Hammond snared the pitching duties.

The Indians countered with Pothier, Derek Camarota and Jim Flowers.

Yankees 17 - Twins 1

The Yankees unleashed a 23-hit attack to beat the Twins. Tom Tormey had four hits (four doubles), while Pat Breen, Josh Malitsky, Tim Smith and Paul Davies contributed three hits each. Sean Bergan and John Davies (two doubles) had two hits, with Mike Giammasi, David Jaye and Brian Davies also contributing hits.

Tom Tormey and Pat Breen split the mound duties and pitched a strong five-hitter for the Yankees.

The Twins' attack was led by James Berberian with two hits. Mike Lane, Joey Massaro and Chris McAnally had the other Twin hits.

Berberian and Lane shared the pitching duties for the Twins.

Yankees 5 - Twins 1

Once again Yankee pitchers Tom Tormey and Pat Breen combined to lead the Yankees to victory. They pitched a fine five-hitter, striking out eight and walking only two.

The Yankees scored three runs in the first inning, and added single runs in the second and third innings to win the game. Tim Smith led the Yankee attack with two doubles and two RBIs. Josh Malitsky and Mike Giammasi also had two hits while Sean Bergan had a long double.

For the Twins, Lane led the attack with two hits while Keith Abernathy, Tom Sheehan and Chris McAnally each had singles.

Lane and James Berberian pitched well for the Twins.

Yankees 11 - White Sox 3

Yankee pitchers Joey Tavilla and Josh Malitsky hurled a neat three-hitter to pace the Yankee win. They combined to strike out seven and walk only three batters. The win clinched the second half championship for the Yankees.

The Yankees 14-hit attack was led by Pat Breen with four hits, while Tim Smith and Tom Tormey chipped in with three hits apiece. Sean Bergan had two hits and John Leng had one.

The White Sox hitters were Andy Peck (double), Jeff Brodie and Derek Holmes. Chris Eggert pitched the entire game for the White Sox.

Legion Team On Move

After a start that has been interrupted by the rains of June, the Andover Post 8 baseball team looks like they are starting to round into shape. The combination of rainouts and not being able to practice were evident in the first six games of the season as Post 8 stood at 3-3. As the third week of the season started it appears that Andover's new entry in American Legion Baseball has it all together. On Sunday they travelled to Peabody and coasted to a 6-1 win, following it up on Monday with an extra inning thriller over rival North Andover 5-4.

Andover 6 - Peabody 1

With southpaw Billy Vickers displaying a sharp curveball and excellent support from his teammates the Post 8 club breezed to an easy 6-1 victory over the Peabody Legion entry. Striking out 10 and allowing only five hits Vickers was in trouble in only the third and fifth innings. In the third with runners on first and third, an outstanding play by third baseman Dave Flanagan cut down a runner at the plate. In the fifth with runners on first and second Mike Andrews (son of former Red Sox great) singled in the lone Peabody run.

But the Andover bats were ready right from the start. Despite leaving four runners stranded in the first two innings, it only appeared a matter of time before the Post 8 club would break loose. Jeff Demers led off the third with a single to right. Jeff Parker sacrificed him to second and Jon Pelletier scored Demers with a single to right. In the fourth,

Post 8 put the game on ice. With one out Dave Flanagan (two hits) singled to left, Dave Lyons walked and both runners moved up on a wild pitch. The with two outs Billy Vickers helped his own cause with a single to left to score Flanagan and Lyons.

In the fifth inning a combination of timely hitting and sloppy pitching helped Post 8 add to their lead. Jeff Parker led off with a walk and stole second. After Jason Powell walked, Glenn McIntyre rescued Parker with a single to left. Flanagan walked to load the bases and Lyons fielders choice scored Powell. Scott Zimmerman ended the scoring by singling in Glenn McIntyre with the sixth run.

Andover 5 - North Andover 4

This was a typical Andover-North Andover battle right from the start. North Andover jumped out in front in the first with some daring base-running. Bill Marcotte walked to start the game. Dan Roche bunted him to second and he scored when Mike Valentino's slow roller to the infield was bobbled. Andover's ace Bill Caselden then worked out of further trouble by getting a strike out and a roller back to the mound.

North Andover increased their lead to 2-0 in the fourth and a two-out single to left by John Skiba. A

big inning had been averted earlier on a great throw from centerfield by Jon Pelletier, knocking down a NA runner at third.

In the fifth, Post 8 fought back to take the lead. Dave Lyons opened the inning with a single to center. Scott Zimmerman's ground ball was misplayed and both runners were safe. Caselden's bunt try forced Lyons at third, but Jeff Demers followed with a single to right to load the bases. Jeff Parker's ground ball forced Zimmerman at the plate, but Caselden scored on a wild pitch to get the first Post 8-run home. Pelletier then followed with a single to right to score Demers and Parker and Post 8 had the lead 3-2.

In the last of the seventh NA fought back to tie the score and had the bases loaded, but were unable to get the winning run across as Caselden bore down to stop the rally.

Parker opened the eighth with his second hit of the night. He stole second and with one out, advanced to third on Jason Powell's infield hit. Glenn McIntyre rescued Parker with a long sacrifice fly to center field. Dave Flanagan's ground ball was booted leaving runners at first and third. Then Tim

Grams, returning to the lineup after an injury, drilled a single to left to score Powell with what turned out to be the game winner.

Caselden pitched a gutty game striking out three and giving up nine hits.

Coach Al Pelletier and his coaching staff want to invite all the fans in the community to come and enjoy the outstanding brand of baseball played in American Legion play. Pelletier feels that fan support from Andover will be the lift this club needs in its drive to the championship.

The team has a solid pitching staff made up of Golden Warrior standouts Bill Caselden and Billy

Vicker, Dennis Glynn from Austin Prep and former A.H.S. standout Glenn McIntyre who had a great season this spring at Kimbal Union. The catching is solid with Jason Powell (MVC batting champ). The infield is a strong point with the outstanding double-play combo of Jeff Parker and Jeff Demers. Dave Flanagan (PA), Dave Lyons (PA), Brett Pearson (A.H.S. grad), Mike Gibson (A.H.S.) and Saun Flanagan (PA) round out the infield. The outfield may be the best in the area. With Tim Grams (All MVC) in left, PA standout Jon Pelletier in center

Aglow

The Merrimack Valley Chapter of the Women's Aglow Fellowship will hold their monthly meeting Tuesday, July 13, at 9:30 a.m. at the Citizen's Center, Welcome Street, Haverhill.

The public is invited to this meeting which will be a special time of praise and worship.

Lobstering

On Wednesday, July 7, join Earl L. Doliber of Marblehead for a Crustacean Celebration at 11:30 a.m. at the Peabody Museum of Salem. Doliber, author of "Lobstering Inshore and Offshore," will talk on lobsters and the industry that has grown up around them.

Hoop Camp

The Lawrence YMCA will hold a basketball camp for girls ages 9 to 16 during the week of July 12-16 from 8:30 a.m. to 3:30 p.m. Dennis "Bucky" Tardif, head coach at Methuen High School, will direct the camp.

The camp's purpose is to develop a well-rounded basketball player emphasizing the importance of learning basic fundamentals and skills as well as teaching the importance of the team concept and will include lectures, station drills, two games a day, instructional movies and team practices. There is also an optional recreational swim each day.

Teams will be evenly balanced according to age, height and playing experience.

and speedy Andy Emmert in right, the outfield possesses three great throwing arms and outstanding hitting ability. The backups in the outfield have shown themselves to be more than capable. They

are Scott Zimmerman and Rob Wilson.

This team is made up of Andover boys who represent the town and Post 8 very well. They deserve your support. Tonight they take on Lynn Post 6. All games are played on the varsity field at Phillips Academy.

JAMES BOND JUST TRADED HIS BENTLEY FOR A SAAB 900 TURBO.

The Master Spy's exploits, of course, are fictional. But his reasons for choosing the Saab 900 Turbo, as revealed by author John Gardner in *License Renewed*, are real:

"...low fuel consumption in relation to speed, while the turbo gives that extra dynamic thrust always needed in a tricky situation."

So to get an idea of the way a Saab feels, and moves, and performs, we would like to make two suggestions.

Read the book.

Or, better yet, come in for a test drive.

It could be the beginning of a real adventure.

AUDI: THE ART

Andover Maintains Lead

By Rick Harrison

Defending champion Andover Gold maintained its slim half-game lead atop the Greater-Lawrence Babe Ruth League standings, chalking up a pair of key victories over North Andover and Andover Blue last week.

Righthander Mark Grams fired a two-hit shutout as Gold stopped North Andover 3-0 at Grogan's Field, marking the third straight time the locals have defeated NA this season.

Undefeated Bill Weidman (3-0) followed his no-hit gem against South Lawrence East with another strong effort against the Blue, scattering five hits and coming within one out of his second consecutive shutout as Gold chalked up an 8-1 triumph at the Andover High field.

The two victories lifted Gold to 8-1 this season, 21-1 in its last 22 starts and 48-6 over a 54-game span.

Andover Gold, 3-0

Gold trimmed North Andover for the third straight time this season, as righthander Mark Grams allowed just two hits enroute to his second shutout.

Grams, in boosting his record to 3-1, struck out six, walked four and threw 88 pitches.

Losing hurler Mike Atwood experienced just one bad inning, permitting five hits and all three runs in the third. He finished with a seven-hitter, fanning seven and walking none. He also retired the last nine batters he faced.

Shane Smith opened the decisive third inning with a sharp single to right-centerfield. Mark Doherty followed with a bunt single, and when the throw trickled past the first baseman the runners advanced to second and third.

Scott Wilkins then lined a two-run single to centerfield, and he went all the way around to third base when the throw home skipped past North Andover catcher Chris Abell.

Grams then belted a long sacrifice fly to centerfield, plating Wilkins with the final run.

Later in the inning Billy Lane and John Leahy laced consecutive sharp singles to center and leftfield respectively, but Atwood escaped further trouble by whiffing the next batter.

Mark Doherty's infield single was the only Gold hit thereafter.

North Andover's only serious threat came in the bottom of the fifth, when Chris Abell drew a leadoff walk and Mike Clancy belted a long double to rightfield putting runners at second and third with no one out.

However, Grams worked free when Tom Murtaugh struck out and Paul Bernardin hit a soft liner to shortstop that Billy Lane turned into an unassisted doubleplay.

The DP was Gold's fifth in the first eight games. Leahy and Doherty led the Gold offense with 2-for-3 nights, while the other NA safety was a crisp single down the leftfield line by Chris Strobel in the fourth.

Grams retired nine in a row during one stretch.

Billy Lane extended his hitting streak through seven games, while Grams had his seven-game streak snapped and went hitless for the first time this season.

Gold also turned in its fourth error-free game of the season, with Lane starring at shortstop, Shane Smith playing exceptionally well behind the plate and Bill Weidman making a nice running catch in leftfield.

Andover Gold, 8-1

Bill Weidman fired a five-hitter, striking out six and issuing no walks, and Gold broke open a tight game with five runs in the fourth enroute to its triumph over Andover Blue.

Weidman permitted just one Blue runner as far as second base over the first six and two-thirds innings, but then Pat Plaehn spoiled the shutout bid by hammering a long homerun to leftfield.

Gold took a 1-0 lead in the bottom of the second when Craig Burzlaff laced a two-out single, stole second and rode home on Shane Smith's single and a subsequent throwing error.

Gold made it 3-0 in the third. Pete Quintal was hit by a pitch, both runners were safe on Mark Grams' hit-and-run fielder's choice grounder to shortstop, Kevin Rourke bunted them into scoring position, and John Leahy delivered a two-run double on a two-out, 3-2 pitch from Blue hurler John Nuzzo.

Gold batted around in the fourth, loading the bases with no one out on walks to Burzlaff and Smith and a bunt single by Mark Doherty.

Scott Wilkins laced a grounder to shortstop, but Burzlaff beat the throw home. Smith raced across on a passed ball, Mark Grams delivered a two-run single and Billy Lane capped the uprising with an RBI single.

Doherty led the seven-hit Gold offense with 2-for-3, including a long double, while Burzlaff and Grams had one hit and scored two runs each.

John Duffy stroked a pair of singles for Andover Blue. Jeff Penner drilled a double down the leftfield line and Rob DiTroia beat out an infield single.

Gerry Nassif made a pair of outstanding diving catches in leftfield for the Gold crew, while Shane Smith continued his superb play at catcher.

Third baseman Nick Lembo and second baseman Penner turned in solid defensive performances for the Blue.

Walt Disney Movie

The Summer Family Movie program begins Monday, July 5, in Central Park with Walt Disney's feature film "The Aristocats." This feline fantasy is marked by milestone performances, jazzy tunes and stylish elegance; a happy-go-lucky adventure across the French countryside and through the backstreets of Paris. The movie is 78 minutes long and will begin at dusk. Raindate is Tuesday, July 6. The July 12 feature film is "Love At First Bite."

Jazz Concert

Christopher Brooks and Friends will explore the guitar's many possibilities, revealing both its delicate intimacy and its bold sonority on Wednesday, July 7, in Central Park at 6:30 p.m. In the event of rain, the concert will be held on Thursday, July 8. A contemporary band is scheduled to play in the park on Wednesday, July 14.

Gallery Tours

Guided gallery tours of the Peabody Museum of Salem will be conducted at 11 a.m. during the months of July and August. The usual Sunday 2 p.m. tours will continue during the summer. Visitors are urged to take advantage of this special opportunity to view the museum and its collections at no charge above regular admission.

Eclipse

A total lunar eclipse July 6 launches an eventful summer for backyard stargazers.

The Charles Hayden Planetarium at Boston's Museum of Science lists several events that make night-time skywatching especially worthwhile. Directing attention upward is par of the museum's Skyfire celebration of the ever-changing sky.

The lunar eclipse reaches totality at 2:38 a.m., having entered the dark, inner shadow of the earth at 1:33 a.m. The moon passes completely out of the shadow at 5:29 a.m., a sight New Englanders will miss because the moon sets and the sun rises before the eclipse ends.

Incidentally, the seven eclipses of sun and moon visible in various parts of the world this year are the maximum possible in any one year.

Hilda's Hair Stylist—Permanent Experts

Shorter hair is back. With hot, humid, summer days approaching, plan to visit Hilda's Hair Stylist in the Shawsheen Plaza, Andover. Let Hilda and her three expert stylists show you the convenience and comfort of a shorter hair style for the summer season.

Summer weather and activities can damage your hair. Damage occurs from exposure — to sun, wind, salt water, and chlorinated water. Damage can also result from abusive handling, the use of inferior products, the misuse of reputable products, or overbleaching. Allowing a specialist to do your hair coloring assures you of the best possible color and undamaged hair.

Owner Hilda Privitera is a specialist in bleaching, frosting, and hair coloring. Hilda stresses the coloring solution should be as individualized as a doctor's prescription. Hilda's extra care in formulating the perfect solution for you will result in a beautiful, natural hair color, and healthy hair.

Soft permanents and body waves are in big demand during the summer months. Body waves maintain a style very naturally, while permanents such as Breck, Zotos, or L'Oréal, hold a tighter-curl style despite high humidity. With 21 years of experience, Hilda contends it is the style of the cut, not the texture of the hair, which dictates whether a perma-

nent or body wave is best:

Angela Hillner, with 27 years experience and formerly of Angela's Hair Stylist, Essex St., Andover, has recently joined Hilda and her other stylists — Christine, and Maria, formerly of New York hair Stylists, N.Y.

Hilda's Hair Stylist in Shawsheen Plaza, Andover is open daily from 9 a.m. to 6 p.m., Thursday and Friday evenings until 9 p.m., and Saturdays from 8 a.m. to 5 p.m. Walk-in service is usually available, and parking is plentiful. Call 475-2531 for an appointment now, and start summer in style!

Jean B. Lankshear

Jean B. (Turner) Lankshear of 24 Lincoln Circle, Andover, died June 24 at the Sidney Farber Cancer Institute, Boston, after a long illness. She was 54.

A native of England, Mrs. Lankshear attended the West Parish Church. She was also a member of the Spade and Trowel Garden Club.

She leaves her husband, Ronald F. Lankshear; two daughters, Gillian Lankshear and Theresa (Mrs. Ronald) Closson, both of Long Island, N.Y.; two sons, Brian of Lawrence and David of Andover; one brother, Peter Turner of England; and one grandson and one granddaughter.

Funeral services were held Monday morning at West Parish Church. Burial was in West Parish Cemetery. Funeral arrangements were under the direction of the Lundgren Funeral Home, 18 Elm St., Andover.

Memorial contributions may be made to the Sidney Farber Cancer Institute, 44 Binney St., Boston.

Ivan A. Tanner

Ivan A. Tanner of Glenwood Road, Andover, a resident of the town for many years, died June 24 at Lawrence General Hospital after a long illness. He was 79.

A native of Lunenburg, Nova Scotia, he lived on Foster's Pond for more than 35 years. He had worked for Marland Mills and Hardy Brush Company of Andover, and for the Motor Car Company and Pontiac Village of Boston.

He leaves two sons, William N. of Oregon and John V. of Andover; one daughter, Marjorie (Mrs. Edward) Gurr of Bermuda; one sister, Mrs. Frank C. Jacobi of Andover; 10 grandchildren, and three great-grandchildren.

Private funeral services were scheduled to be held at the family's convenience. Cremation was to be at Harmony Grove, Salem. Funeral arrangements were under the direction of the Lundgren Funeral Home, 18 Elm St., Andover.

Memorial contributions may be made to the American Cancer Society, Inc., 44 Lee St., Lowell, 01852.

Algy A. Dedulonis

Algy A. Dedulonis of 15 McKenney Circle, Andover, a decorated veteran of World War II, died June 25 at Lawrence General Hospital after a brief illness. He was 64.

A Lawrence native, Mr. Dedulonis attended Lawrence public schools. He earned five stars for his service during World War II, when he served as a technician fourth grade, infantry regiment, with Company M in the European theatre, from 1942 to 1945. He worked as a custodian at Andover Town Hall until he retired.

He leaves one sister, Wanda R. Dedulonis of Andover.

A funeral Mass was offered Monday morning at the Lithuanian Sacred Heart of Jesus Church. Burial was in the Lithuanian National Cemetery, Methuen. Funeral arrangements were under the direction of the Boles Memorial-Baron Funeral Home, 184 Jackson St.

gan, Vice President George Bush and cabinet members. "to be briefed on the issues and get their perspective on the issues."

Reagan, she said, was "absolutely fantastic," and offered her some words of encouragement "that will be enough to carry me through the whole campaign," she said.

An Andover native, Hart's political background includes working for Reagan's first gubernatorial campaign in California, and again for his presidential campaign, beginning in 1979. She has been an officer and the first woman president of the Greater Lawrence Young Republicans, and a leader of tax protests in both Massachusetts and Connecticut. She has worked as a teacher and a journalist as well.

Her work on Reagan's last campaign led her to her own political aspirations, Hart explained. "It's a long road, but I enjoy it," she said of her transition from campaign worker to candidate. "I enjoy working with people."

"And it's time for women," she added, although saying she hesitated to "bring a women's issue into it. But definitely it's time for us."

"Well, there's still time, Martha. The fireworks at the high school start at dusk, about 9:00. I imagine that they'll be as good as they always are."

The Committee for Patriotic Observances, Inc., would like each and every Andover resident to be part of this year's Fourth of July celebration. The committee hopes that you will start with the breakfast, that you will march in the parade (or come and applaud for those who do), and that you will enjoy all of the activities of the afternoon and evening.

By DOUGLAS N. HOWE

REALTOR

TWO YEARS FOR TAX BREAK DECISION

If a taxpayer sells his principal residence and buys another one for use as a principal residence within two years before or after the date of sale, the gain on the sale will not be currently taxed. This holds as long as the cost of the new residence equals or exceeds the selling price of the old.

If the cost of the new residence is less than the selling price of the old, the gain is taxed only to the extent of the difference.

Where the taxpayer builds, rather than buys, construction must be started from two years before and occupied by two years after the sale to get the same tax break.

This tax avoidance of the sale profit is called "rolling over" a home purchase. But that two year period for de-

cision gives you another option. During that time, you can also opt for the once-in-a-lifetime \$125,000 exemption of taxes on your profit if you were age 55 or older at the time of the sale. Every time there is a tax change coming out of congress, the tax advantages of home-owning always seem to get better and better. No wonder it's such an excellent investment.

If there is anything we can do to help you in the field of real estate, please phone or drop in at THE HOWE AGENCY, 4 Punchard Ave., Andover. Phone: 475-5100. We're here to help.

Group Thanks Board

A representative of Andover Citizens for a Nuclear Freeze appeared before the selectmen Monday night to thank the board for their resolution of May 24, favoring worldwide nuclear disarmament.

That resolution will be "brought to the attention of" the United Nations General Assembly.

The citizens' committee forwarded the selectmen's resolution to the Secretary-General of the United Nations, Irving Gershenberg of Lowell Street told the board. He then read a letter of acknowledgment from Silvana Silva Leahy, political affairs officer for the United Nations Centre for Disarmament.

Leahy wrote that the selectmen's resolution would be "brought to the attention of the General Assembly."

"The Centre for Disarmament very much values the support that concerned peoples of the world can bring to the cause of disarmament," the letter concludes. "Your interest in and contribution to this end is indeed commendable and very encouraging."

Gravel

(Continued from Page One)

damage and "financial harm" to the abutters.

Marden showed the selectmen several photographs of damage allegedly caused by the gravel removal operation, including what he described as a new car pitted by blowing sand, a swimming pool covered with sand, houses damaged by vibrations, and antique windows in an historic Lowell Street home cracked by vibrations from construction.

"My clients have just been deprived of their property for too long," the attorney said. "It is time to put a stop to it."

Chairman Norma Gammon said town counsel would review Marden's allegations and return to the board with a recommendation for action before the hearing continues in September. Selectman William Dalton asked the developer to prepare a formal response to the allegations.

A number of neighbors rose to register

their own complaints about the country club construction.

"You have no idea of what it's like, of how unfair it is," June Connor of 87 Lowell St. told the board. She said blowing sand made her backyard impossible to use on windy days, and caused eye irritation and coughing. "These conditions are just intolerable."

Whitman Haselton of 73 Lowell St. said blowing sand had pitted one side of his new car while it was parked in his driveway, and had caused other property damage "related to vibration and blowing sand."

Edmund Wesolowski of 10 Canterbury St. objected to the noise and "sandblasting" coming from the site. He also said that the neighbors had believed Cormier would progress from one section to another, working on one area at a time, but instead the developer is "working all over the site, removing more and more material."

After the board voted to delay the permit renewal until the fall, Connor commented that that may, in fact, offer little relief to the abutters. "It's worse in the fall," she noted. "That's when the wind is the worst."

But Ellen Zipeto of 14 Canterbury St. supported the delay, describing her ambivalent feelings about work on the site. While she is tired of the problems created by the construction, Zipeto said, she also wants it over with as quickly as possible.

Her wish may not be granted for a long time to come: The developer has said that completing the subdivision could take as long as 15 years.
